Opening Welcome & Announcements:

Pastor Henra

We are a bold, inclusive creative community. We don't just preach and talk and teach about deconstructing systems and structures of power – we practice it. We are seeking new ways of being that uplift and uphold each other and are a part of new constellations of care that will replace dehumanizing systems of injustice. This is our vision– we hope you jump on our co-creation with us.

Call to Worship

Pastor Darci

Leader:

Spirit that hovered over the deep; sacred wind come blow on us this morning; let us feel your miraculous presence

Response:

New life is coming; We call it into existence

Leader:

Holy Earth that anchors us and births us from sacred darkness in primordial divine life; renew us again this morning

Response:

New life is here to nourish and crystallize our frames

Leader:

Illuminating fire that burns and purifies; yield to us the hope that comes only in the wake of strengthened endurance.

Response:

New life RISE- be RISEN

Leader:

Life giving water, element of life without form; from the depth of the fathomless wells of vitality and imagination; give us your vision

Response:

Christ be risen in me! Christ the vision for and within us all!

"Because He Lives"

Rev Jordan Stewart

artist Carrie Underwood

God sent His son
They called Him Jesus
He came to love, heal and forgive
He lived and died to buy my pardon
An empty grave is there to prove my Savior lives

Because He lives, I can face tomorrow
Because He lives, all fear is gone
Because I know He holds the future
And life is worth the living just because He lives

How sweet to hold a newborn baby
And feel the pride and joy he gives
But greater still the calm assurance
This child can face uncertain days because He lives

Because He lives, I can face tomorrow
Because He lives, all fear is gone
Because I know He holds the future
And life is worth the living just because He lives

Because He lives, I can face tomorrow
Because He lives, all fear is gone
Because I know He holds the future
And life is worth the living just because He lives
Ooh yeah, yeah, yeah

Because he lives, because he lives
Because he lives, because he lives
Because he lives, because he lives
Because he lives, because he lives
Because he lives, because he lives

Biblical Reading

Marcus Foster

Genesis 1: 26-28

26 Then God said, “Let us make humanity in our image to resemble us so that they may take charge of the fish of the sea, the birds in the sky, the livestock, all the earth, and all the crawling things on earth.”

27

God created humanity in God’s own image, in the divine image God created them,[a] male and female God created them.

28 God blessed them and said to them, “Be fertile and multiply; fill the earth and master it. Take charge of the fish of the sea, the birds in the sky, and everything crawling on the ground.”

Worship Through Singing

"Believe For It"

Rev Jordan Stewart

artist CeCe Winans

They say this mountain can't be moved

They say these chains will never break

But they don't know You like we do

There is power in Your name

We've heard that there is no way through

We've heard the tide will never change

They haven't seen what You can do

There is power in Your name

So much power in Your name

Move the immovable

Break the unbreakable

God, we believe

God, we believe for it

From the impossible

We'll see a miracle

God, we believe

God, we believe for it

We know that hope is never lost

For there is still an empty grave

God, we believe, no matter what

There is power in Your name

So much power in Your name

Move the immovable

Break the unbreakable

God, we believe

God, we believe for it

From the impossible

We'll see a miracle

God, we believe

God, we believe for it

You are the way when there seems to be no way

We trust in You, God, You have the final say

You are the way when there seems to be no way (yes, You are)

We trust in You, God, You have the final say

(You are the way, You say)

Move the immovable

Break the unbreakable

God, we believe

God, we believe for it

From the impossible

We'll see a miracle

God, we believe

God, we believe for it

God, we believe

God, we believe for it
